Subject: for John's review - desk statement

Hi Katherine,

Antonio, Ruth, John, Brian and I discussed communications needs for the upcoming 404g update rule making with Allison Dennis in OW.

Allison crafted, and I reviewed, the attached desk statement that we'd like John to review so Allison can have Dave Ross approve it before the Regulatory Agenda is published next week. (we just found out it was to be published next week some time.)

Can you have John review this please. If he has major revisions, I'm happy to try and address them. If not if he just wants to send this forward to Allison that would be wonderful.

Thanks,

Kathy
